He is record article in the North American permitting has fletting to be so manifest. He is record article in the North American permitting to be so manifest. He is record article in the North American permitted to the closest permitting to be so the Instorian, and so perfectly dislocates the praising as the greatest diptomatic achievement the fibres of those shreds, that no mortal weaver can ever weave them together again. This article is worthy of the best days of the North Americal madmissible and absurd. Well, his readers may

The Orford I sirersity Commission is a riview of a subject wor by the attention of those who

tang mided not less by his love of rare books, and the skill by which he had accumulated a valuable cellection, than his standing as a scholar. At the age of sixteen he had published a praise. It is the most perfectly beautiful Quarters and control of the treatise on mathematics, which won the prize torly, in its mechanical department, that is publication business. It should be secured any searcely a student who was younger than himself. Ill health forced him to abandon this conself. Ill health forced him to abandon this conpride in the periodical literature of his country,
to our Government the construction and control
of the canal. Had not the Loccioco Senate. ng ch racter waited upon his retirement. He patrio'ic devotion, and is at least equal in literary with the Hise treaty before it, all the evidence state of Nicaragua, ted Parss, where the cultivators of science merit and republican feeling to any European which our neighbor of the Democrat now his, inted him to great distinctions.

Quarterly.

New York Legi LATURE .- The New York this subject? arting to point the cause of freedom. But the second transfer of the struggle without the constitution allows members at days during which the constitution allows members to draw pay, adjourned on the 13th inst.

Nicaragua the exclusive right to construct and bers to draw pay, adjourned on the 13th inst. heed of a despotism that had withered at the On the same afternoon the Governor issued a con'rol the contemplated canal. Mr. Clayton torch of Napoleod's military genius. The new | nuclamation calling an extra session of the Le- clearly shows in his late speech in the S-nate lock of Napoteou's military genius. The new stringgle of Italy was hit a counterpart of that we can awkened the indignant fires of Moore's get us in 1821, when he hurled upon the paltry attempt of Italian liberators the thunderbolts of his scorn:

The reason assigned for this extraordinary step is, that the Legislature have failed to pass the acts actually necessary for the continuance of the operations of government. The supply lidl was not passed; no provision was made to policy of the U.S. Government to obtain any such exclusive privilege. Upon this subject we quote from his actually necessary for the continuance of the operations of government. The supply lidl was not passed; no provision was made to five his message of the 10th of February, 1817, Polic's message of the 20th of February, 1817, referred to by Mr. Clayton, and for the passage. dria, Libri returned to France, became natu ed a bill of impeachment againt John C. Mather, ral ed. a d was elected a member of the l sti-e by an unu ual majority. The Government and mademeanors," which ought to be attended

The gale departed with a moon,
Tet on its wings the performe aweet
Still line red, like a client tone
That dwells where shades soil echoes meet
in halls of mem ry;
where cove's aweet sour, though stilled force
Stee's like the ost lay of a lute,
Where hope ile dead, though butted never,
For unseen shades and echoes mute
Dodwe, in menury.

Next fading 'midst the leanets gree Next failing 'mids, the leanest grean
I spiled the rose one snumer night,
Her paic check bright with limpid sheen,
Her wen form steaped in pensive tight,
Yet she was beautiful.
Her blighted cherms soon artowed the ground
And every tuneful wind that blows
With madfied wints came murmoring round,
To sing the resultent of that rose.

To sing the requiem of that rose, in death still beentiful. A thousand trembling drops or light,
Like flaming dew, the sky beaprent,
But here of ell most pure, most bright,
A starteen from his mensions sent
With jey mappeskanle,
To bear Iron certil's sphemoral bower.
Her pertume soul so light, so free,
the to the apirit land of flowers,
Where odors must sing addity

Where odors must sing audibly Of blim unspeakable. Then like that rose in life's fresh apring, the maden late, may'st bloom and smile; Like evening gales that blithely sing, Lova's stren notes may charm awhite

A rene so beautiful; But when mild death that scraph bright Shaif robe thee fa undying bloom Thy being borne on wings of tight its purer essence aboil assume, le Heaven most broutiful.

He was a native of Tuscany, and was early dis
Taking all its ment's together, this is one of the Democratic Senate, in the exercise of its hi-

> meet the indehtedness of the canals, or for the referred to by Mr. Clayton, and for the passage work of the present year; and the question of cited by Mr. C. from his own instructions to enlarging the Eric canal was left undecided. Mr. Squiers, dated the 1st of May, 1849, but the

Another reason for the extra session is said to be the fract that, the day before the adjournment, a special committee of the Legislature presented a bill of unpeachment again John C. Mather, the State canal commissioner, for "high crimes and mademenors," which ought to be attended to immediately.

The time of the regular session is said to liave been wasled, to a considerable extent, in useless and worthless dehate and management; and now, by this extra call, the Legislators will be able to

they please.

The Mails—The newspaper mails still confirmed on the subject of "well attests od cases" of abovers of frogs, and many discuss on were held in the flustitute on this reference them. Libri arrested the heady husiness at length, by detailing a "well attested case" of a sh were of oxer. This offense was never for-

iy. Mr. Adams and Mr. Clay has merely proposed that the benefits of the communication he tween the two oceans should not be exclusively appropriated to one nation, and should he extended to all parts of the globe on the same terms. But, during the audinutration of President Jackson, we see that our government extended the principle to the length embraced in the resolution of the Senale; and during the audinutration of President Van Buren, the Honse of Representative adonted the same principle by a resolution. An existy the same words. In 1847, President Polic carried the principle into practical execution by the treaty which was tended as well the Government of New Granda. In his executive message to the Senate, and railroad across the isthmus of Fanana, he quotes at full length the resolution of the Senate of the 3d of March, 1835; approves of the policy adopted by President Jackson and the Senate of the 3d of March, 1835; approves of the policy adopted by President Jackson and the Senate at that period, denies the policy and po

PHIL TO PREVENT THE SALE OF QUACK MED-1814.-A special committee of the Massachu-Noc - Messr Bildwin, Clarke, Havis of Massachu etts, Davidu, Hale, Miller, Unhamatts flouse has reported a bill regulating the Massachuretts, Dayton, Hale, Miller, Upham—compounding and selling of medicines. The tithus appears that every Democratic Senator trist section provides that no druggist, apothecathe Fifth. It is one of the most perfect portraits of that importal ligot that have ever been drawn. It tears into shreds the romance of Bobertson, which he has used so much paper and ink in praising as the greatest diplomatic achievement of these shreds, that no mortal weaver can ever weave them together again. This article is worthy of the best days of the North American, and would do honor to any periodical.

The Furdam Revolution in England is another article of deep interest. It does not handle M. G. 20, with too great tenderness.

It thus appears that every Democratic Senator (that day voted for the treaty. When the other office of Secretary of State under President Taylor, I found that a company of British capitalists contemplated the formation of a ship canal by the way of the receiver San Juan and Lake Nicaragua, and that they had been been days of the North American, and would do honor to any periodical.

The Furdam Revolution in England is another to his extravagant commendations of Lucofoco article for the treaty.

When the theory are the every Democratic Senator (that day voted for the treaty.

When the the office of Secretary of State under President Taylor, I found that a company of a ship canal by the way of the receiver San Juan and Lake Nicaragua, and that they had lemptoyed Mr. Wheelwright, an Englishman, to make the necessary arrangements and obtain the has used to native or San Juan and Lake Nicaragua. At the same time of make the necessary arrangements and obtain the has tied a complete recipe in English, and the chief of whom was Mr. Vanderhilt, of New Yetk, was pagaged in the prosecution of the Sane purpose. The remaining sections of the provides that no druggist, apothecative treative two states and it is a treative to the desired treative two states are published in standard or prising as the greatest formation of a ship canal the two yor than Lake Nicaragua, and that they are san Juan and Lake Nicaragua. At the same time of the provides that no druggist, apothecative two states are pu

Conference.—On Wednesday last the Louis-iseville mail for this and other intermediate points to Neabville, arrived in a canvasa sack, in the button of which was a hole large enough to put a hat through. The consequence was that all the Louis-ville paper packages, with the excep-tion of the 'Limes and Banner, were lost. This is a species of unpardonable carelessness, for which there cannot be the shadow of an excuse. All the letters, papers, &c., were put into the sack, and how many were that cannot be known. all CAT THOMPSON A STEWART.

## BY TELEGRAPH.

BOSTON, April 21, M.

CHARLESTON, April 20. The remains of vice President King were joyment. Those who were not fortunate enough to be at the concert on Wednesday night should redeem their error to-night. The excellences of this concert should draw a good house.

CHARLESTON, April 20.

The remains of vice President King were followed to the grave this morning at 11 o'clock. He was buried according to the rites of the piscopal church. The Rev. Mr. Platt, of Selma, officiated and delivered a most excellent sermon. Mr. King diedcalmly and composedly. WAHINGTON, April 20.

Contrary to the general expectations the Defor the Cincinnati and Pitteburg packet line, has ust been completed at the latter port. The Crystal Palace takes the place of the Cincinnati. Henricita is the name of another new boat built at Pi't burg to run between that and this port.

Twenty-six clerks were removed from the Sixth Auditor's office to-day; the places were immediately filled, mostly by the restoration of the former incumhents. PHILADELPHIA, April 21.

We have no mail south of Mobile.

The Wasington papers contain the President's proclamation, ordering the Departments to be closed to-day through respect for Mr. King. Urders of the Secretaires of the Navy and War, directing a salute of 17 gune, and a rational salute at sindown at all of the army and havy stations the day after the receipt of the order. stations the day after the receipt of the order.

INDEPENDENCE, April 21. The mail from Santa Fe, in charge of Mr. Russe, arrived on the evening of the 18th.

The weather was fine, and the party met with no molestation, though they met with humerous bands of Indians on the route.

Lieut. Heth, in command of the military post at Fort Atkinson, had determined to attack the Chevenne Indians and was only deferred the

Fashion, have our thanks for favora.

at Fort Atkinson, had determined to attack the Cheyenne Indians, and was only deferring the attack until the mail had passed. This band, during the winter, had murdered a discharged soldier upon the plains, and though the commandant had repeatedly requested them to give up the murderers, they had refused to comply with the demand.

Notwithstanding the very insufficient force at the garrison, there heing hul one company, Lt. He'll deemed it shoultely necessary to attempt their chastisement as they have insolently defied him upon more than one occasion during the summer. The contest will be rather unequal, and the result is feared.
